

# Membership Application

The North American Neuromodulation Society welcomes you to join us. Regular membership is open to those with advanced doctoral degrees or equivalent in an area of science or medicine relevant to neuromodulation including but not limited to MD, DO, PhD, PharmD, EngScD, etc. Regular members may hold office, vote for elected positions, and serve on committees and task forces. Additional member benefits include:

- Subscription to *Neuromodulation, Technology at the Neural Interface* (Published 6 times/year)
- Discounts at NANS educational programs
- Membership in the International Neuromodulation Society
- NANS newsletters that include relevant updates on the latest practices in Neuromodulation
- Opportunities for networking with colleagues and experts within the field
- Access to the electronic archives of the journal

To become a member, please complete the information below.  
PAYMENT MUST ACCOMPANY THE APPLICATION.
